ML Code Crafters
Project 7: Offline Track association problem [UAV videos]

Name
Vidhan Nahar
Shubham Mehta
Jash Agicha
Yashvi Jakharia

Work Done This Week

- We came to know that our approach was slightly wrong so implemented YOLO detection and trained it.
- Tried to Generate video as output

Our Learnings

- How to convert the dataset compatible to YOLO to check GT
- How to install YOLO and use it

Challenges Faced

- Learning of YOLO was not too goo
- We need to figure out the best approach

Planning for Next Week

- Documentation
- Completion of project
